NOW AVAILABLE FROM WILSON TOOL...

AMADA® STYLE ABS PUNCHES AND STRIPPERS

Wilson Tool have added Amada® Style ABS Punches and Bolt-on Strippers to the Wilson Tool Replacement Amada® range. The range is 100% compatible with Amada's ABS guide assemblies and holders with the same ABS features.

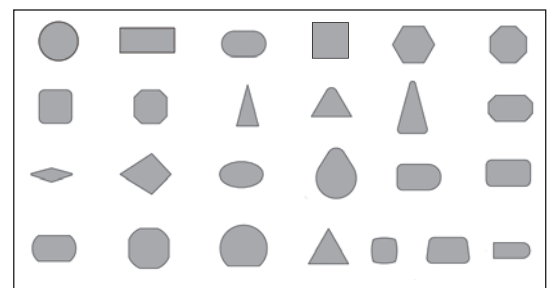

Amada® Style ABS Tooling and MATE Ultra® Tooling are available from Wilson Tool with next day delivery all across Europe and 25 shapes at standard price.

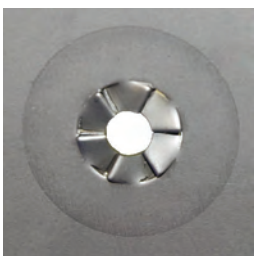

REPLACEMENT MATE ULTRA® TOOLING

Wilson Tool now offers punches and strippers that are 100% compatible with MATE's Ultra® guide assemblies and holders.

Mate Ultra® is a registered trademark of Mate Precision Tooling.

**25 shapes at standard price.
Standard delivery times apply.**

TRICKS OF THE TRADE

Rather than using lock washers in your assemblies, did you know it is possible to produce a serrated edge lock washer form directly into your sheet metal components to cut your overall assembly costs?

For more information on Amada® Style ABS Punches and Bolt-on Strippers, MATE Tooling and any other products, Wilson Tool can be contacted direct on: 0800 373748 (freephone) 1-800 709009 (freephone Eire) or alternatively email sales@wilsontool.eu.com

Strength. Performance. Innovation.
